

**Firefighter/Emergency Medical Technician - Combined**

Career Technical Certificate | Code: 58000 | 792 hours/26.40 credits

CIP (0743020313)

Effective Term: Fall 2022 (2227)

The purpose of this program is to provide the necessary training required for students to become certified firefighters as well as licensed Emergency Medical Technicians. It is not intended for those who are currently certified/licensed as either firefighters or EMTs. Students wishing to add an additional certification to an existing credential must enroll in either the Firefighter program or the Emergency Medical Technician program. Students must successfully complete the Firefighter Minimum Standards portion before moving on to the Emergency Medical Technician portion. This program (58000) is eligible for financial aid. Students must be a minimum of 18 years old to participate. Fire Academy Students Only. (792 contact hours)
